

Create a web page using HTML that will contain your CV. The page should have the following specifications:

- 1) The title of the page should be "My First Web Page"
- 2) The Main heading of the page should be "My Curriculum Vitae"
- 3) There will be different sub headings within the page like "Personal Details", "Academic Details", "Professional Details", etc.
- 4) Under each sub heading will be following a paragraph of pertinent information. Paragraph under "Professional Details" sub heading may contain details of internship, your software skills, etc. Highlight required portions of information using bold.
- 5) Page must contain a background image of light colour.

Coding:

```
<html>
```

```
  <head><title>My First Web Page</title>
```

```
    <style>
```

```
      body {
```

```
        background-image: url(bgg.jpg);
```

```
      }
```

```
    </style>
```

```
  </head>
```

```
  <body >
```

```
    <h1>My Curriculum Vitae</h1>
```

```
    <h2>Personal Details</h2>
```

```
    Email Id : swarnava415@gmail.com<br>
```

```
    Contact No. : 8697 187822<br>
```

```
    Address : A/1, Rabindra Nagar, kolkata-700 018<br>
```

```
    <h2>Carrier Objective</h2>
```

```
    <p>To work for an organization which provides me the opportunity to improve my skills
```

```
and
```

```
knowledge to grow along with the organization objective. </p>
```

```
<h2>Hobby:</h2>

Web Surfing<br>

Cooking<br>

Drawing<br>

Design & Development<br>

<h2>Interest</h2>

Cooking<br>

Nature<br>

Travel<br>

Animation<br>

Game Development & IOT

</body>

</html>
```

Output:
